VENETO BIENNIAL BUILDING FAIR

The construction and building trade fair for Northeast Italy.

BIVE, the fair of building and constructions, is the ideal place where supply and demand meet, where companies and professionals have a valuable opportunity for networking, building bridges and exchanging their expertise, because in the complex today's market, no one can conceive themselves as an island.

FOUR REASONS TO EXHIBIT

BRAND VALUE and VISIBILITY

Showcase and ensure visibility for your brand, to loyal customers and potential new contacts, introducing the market to innovations and projects.

BIVE is designed as a functional showcase for companies targeting the construction industry audience.

TERRITORIAL PRESENCE

BIVE is the only trade fair covering the entire construction and building industry supply chain, reaching professionals and businesses from the Northeast region, including Veneto, Lombardy, Trentino-Alto Adige, Emilia-Romagna, and Friuli-Venezia Giulia.

UPDATES

Stay informed about trends, projects, technologies, innovations, funding opportunities, regulations, and best practices in response to today's construction challenges: PNRR, energy transition, digital transition, the new public procurement code, and more.

TRAINING & NETWORKING

The conferences and events held during the fair some offering CFP credits provide not only valuable training but also networking opportunities, fostering connections among businesses, trade associations, and provincial professional orders.

SOFTWARE AND DIGITALIZATION

- design, control, and management software
- BIM (Building Information Modeling)
- surveying and measuring instruments, drones, and new technologies
- tools, systems, and applications
- 3D printers, digital manufacturing, digital platforms
- IoT, augmented reality, AI

SYSTEMS & HOME AUTOMATION

- equipment and accessories for lighting technology
- electrical installations and lighting systems
- ventilation, air conditioning, and heating systems
- solar, photovoltaic, and energy production systems
- smart infrastructure
- bus and structured cabling
- switches, sockets, and connections
- electrical panels and electrical/electronic components
- intrusion detection, alarm, and fire protection systems
- home automation and smart home solutions
- building automation
- automation for doors, gates, and shutters
- energy efficiency solutions

CONSTRUCTION SOLUTIONS & MATERIALS

- building materials and technologies
- construction chemicals
- fastening systems and profiles
- safety solutions and technologies for buildings
- seismic protection
- diagnostics and monitoring
- geophysics
- waterproofing solutions
- insulation systems
- building envelopes
- ground stabilization
- prefabricated structures
- mortars and cements

MACHINERY & EQUIPMENT

- construction machinery and equipment
- tools and products for construction sites
- excavators and earthmoving/lifting machinery
- cranes and aerial work platforms
- crushing and demolition equipment
- drilling, tunneling, and ground reinforcement machinery
- construction material transport vehicles
- pumps and concrete machinery

LIGHTWEIGHT CONSTRUCTION

- interior and exterior finishes
- gypsum plaster and related materials
- internal partitions
- windows, doors, and frames
- flooring, cladding, and sanitary ware
- paints
- furniture finishes

VISITOR PROFILE

60%

TECHNICAL PROFESSIONALS

- Engineers
- Architects
- Surveyors
- Technicians
- Geologists
- BIM specialist
- Public Administration

40%

COMPANIES

- Retailers
- Wholesalers
- End users
- Installers
- Contractors

TOP 5 ORIGIN REGIONS

- Veneto
- Lombardia
- Trentino-Alto Adige
- Emilia Romagna
- Friuli-Venezia Giulia

PRICE LIST

MANDATORY REGISTRATION FEE.	Includes the company's participation in the BIVE fair and the inclusion of company details in the exhibitor catalog on the website and in the guide.	500,00€
------------------------------------	--	----------------

MANDATORY ESSENTIAL SERVICES	Power connection (1 kW) and waste disposal	20,00€/mq
-------------------------------------	--	------------------

CUSTOMIZABLE INDOOR RAW AREA	Bare exhibition space provided exclusively with a 1 kW power connection.	95,00€/mq
-------------------------------------	--	------------------

CUSTOMIZABLE OUTDOOR RAW AREA	Bare exhibition space provided exclusively with a 1 kW power connection.	65,00€/mq
--------------------------------------	--	------------------

PRE-FITTED STANDS
